Candidates must send in their applications made out in English on *printed forms*, as they reach the Commissioner's office on or before the 21st August, after which date no applications will be received. Only one form of application should be sent by each candidate, although he may bring up several subjects and come up for different grades.

17. Candidates in the morning should obtain the required application forms from the treasury of the table in which they are to submit as at the District to which they belong. Candidates who are residents of Madras should apply for application forms at the office of the Commissioner for Government Examinations, 164 College, Nanganallur, and not to the Collector of Madras.

19. The prescribed fee must be paid in *ready cash* into a *Government Treasury*, at 11 at Madras, into the Bank of Madras, and the receipt given by the Treasury Officer or the Bank of Madras, attached to the application, which must in every case reach the Commissioner's office on or before the 21st August. As an exception will the fee be received in the Commissioner's office, whether sent in cash or by Post Office order. An application will be regarded unless it reaches the Commissioner's office by the date prescribed.

Note.—At Madras, in the case of all pupils, the fee should be collected by the *Director* and sent in a *ready cash* to the Bank of Madras together with the *list of the pupils*, one of which will be returned by the Bank and the other signed and returned to the Director. The latter list should be forwarded to the office along with the applications of the candidates. The necessary form for this purpose will be supplied by this office to the Director on application.

20. Each application should be sent direct to the *Commissioner*, post paid, accompanied and addressed as follows: the receipt for the fee paid being *separately* retained in it.

21. Candidates are warned that the application itself should not be rolled up with any drawings, plans, maps, field books, memoranda, or other "certified works" that may be sent, but should be submitted in a separate cover.

16. The occupation or profession of candidates, or the appointments held by them should satisfactorily be stated—in column 10 of their applications.

17. The fee paid will, in no case whatever, be refunded, nor will it be returned for a subsequent examination. Further will say none for that may have been industriously paid to be returned. Candidates are advised to study the regulations carefully and satisfy themselves before sending their fees, that they fulfil the prescribed conditions of admission in the examination and that they are, of necessity, possessed of their own expense, beyond the limits of the examination centre selected by them, for the purpose of undergoing the Written, or the Oral and Practical examinations.

18. Candidates for the Intermediate or Advanced examinations whose names have already been published in the Gazette as having passed a previous stage or stages in subjects in which the examination is divided into stages, or as having passed the Intermediate (Lower Preliminary), where the examination is of two grades—Intermediate and Advanced—must, in their applications give the date and page of the Gazette in which their names appear and their number in the list of successful candidates.

(3) The Sengapat State.

3. These tapping licenses shall be issued on the application—

(a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(b) of persons having the exclusive privilege of manufacture and supply of innocent toddy in areas in foreign liquor;

(c) of persons having the exclusive privilege of manufacture and sale of country spirits in British Ceylon;

- (d) of tappers on these trees application in the South Okana District, provided the application for license is accompanied by an application for a permit for the transport of the telly-trees to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the telly is to be taken;
- (e) of two seasons generally, and of sweet-telly tappers in the Godevuri District, and in the Baranagar, Himmurman, Tanshe, Elhor and Tonnagudem taluks of the Kista district, for not more than five trees for the drawing of telly required for domestic consumption, but not for sale; and

(f) of telly shopkeepers or tappers in the Mysore territory and in the Bonganapalle State desiring to obtain telly from trees growing in British territory.

In cases (a), (b), (c), (d) and (f) the license may be issued in the name of the applicant himself or of his assistant, and in case (e) in the name of the applicant only.

3. Persons wishing to apply for the grant of free-tapping license must first pay the fee (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Sub-treasury. Collections may also empower heads of villages to receive payments on account of trees and to grant receipts therefor.

4. (1) Applications for the grant of free-tapping license must be made in the prescribed form to the Inspector, Bala, Akhri, and Customs Department, in charge of the circles in which the trees are situated. Forms may be obtained from the Inspector, Bala, Akhri, and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a receipt stamp of set ones. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made in a village head the receipt must accompany the application. Mysore tappers and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Auditor's treasury and should present before the British Tahsildar or Deputy Tahsildar account along with the application in form F.T. 4, the receipt with the Auditor's certificate as the fact to the effect that the applicant is a person entitled to take out a free-tapping license in Mysore. The tree-tax should be calculated at the higher rate if the trees are not the same on the two sides of the frontier.

(2) Applications for free-tapping license in the South Okana District should be countersigned by the owner of the trees intended to be marked in token of his consent.

5. Tally shopkeepers in towns adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of telly to their shops on payment of the whole of the tree-tax in one instalment into British treasuries and subject to such conditions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if this rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the States and the Mysore Government with regard to the issue of licenses for tapping cereals in other territory on the application of farmers or shopkeepers in the States do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rent thereon or for other sufficient reasons and the same payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping license for trees so reserved.

6. Tally shopkeepers in British territory adjoining the Bonganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kistnad district; similarly those in the Bonganapalle State will be allowed to tap trees in the adjoining British territory.

7. Persons applying for the issue of license will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer engaged in such to a party office and for the issue of the license. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so any reasonable action, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Godevuri District and in the Baranagar, Himmurman, Tanshe, Elhor and Tonnagudem taluks of the Kista district trees intended for the drawing of fermented telly and those for the drawing of sweet telly shall, so far as possible, be in separate types of blocks.

9. Collectors may, from time to time, prescribe the maximum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in one application.

10. No trees shall be tapped, nor shall telly be drawn from any telly tree, nor shall any pot be attached to any telly tree, until the tree has been marked by the proper officer. But the preparation of the system for the drawing of telly is permitted as soon as the fee (or the first instalment thereof, as the case may be) has been paid, a receipt has been obtained and the application in the prescribed form has been delivered to the Inspector.

11. For palm-tree and date trees in the Presidency and for Duland (Araucaria) trees in South Okana, free-tapping license shall be issued that is, from from 1st October or any subsequent date to the 30th September immediately following, and for coconut and sugar trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately following, and from 1st April or any subsequent date to the 30th September immediately following.

## SALT, ABKÁRI AND CUSTOMS DEPARTMENT.

### NOTIFICATION

No. 15, dated 26th July 1908.

### NOTICE OF SALE OF ABKÁRI PRIVILEGES.

Notice is hereby given that the number of farms and independent shops appointed for the sale of liquor during the twelve months beginning 1st October 1908 and ending 30th September 1909 and the local limits appointed for them will be notified by Collectors in their District Gazettes, and that the privilege of sale therein will be put up to public auction on the date, at the place and by the officers to be notified by Collectors subject to the conditions hereinafter set forth.

#### Conditions of Auction Sale.

II. The districts in which independent toddy shops, areca farms and areca and toddy farms, respectively, will be sold are specified below:—

Independent toddy shops.	Areca farms.	Areca and toddy farms.
1.	2.	3.
Throughout the Presidency including the Bangalore District and including the States Town Circle, the Viji District and certain areas in the Coimbatore, Tanjore and Madhav districts.	Coimbatore and the Aravali Valley.	Madhav, including the Coimbatore District.

A separate notification will be issued regarding operations under the free-sale system. Collectors will issue orders regarding the trade where special systems are in force.

III. A deposit must be made by each bidder previous to bidding and will be returned at any time within three days previous to the date of sale. A deposit of Rs. 10 will exclusively be required from any person wishing to bid for any independent shop or any large number of shops. This will be reduced to Rs. 5 in the case of bidders for not more than two or three shops or an aggregate monthly value of Rs. 10 or less and to Rs. 3 in the case of bidders for single small shops. In the case of farms Rs. 100 will be the ordinary deposit. This will be reduced to Rs. 50 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 10 in the case of bidders for farms of an aggregate monthly rental of not more than Rs. 100 and to Rs. 5 in the case of bidders for single small farms. In the Coimbatore district, the Collector may, where he deems it necessary, require a deposit of Rs. 15 only from bidders for toddy shops. In the South Coimbatore district, the selling officers may at their discretion reduce the deposit to Rs. 5 for shops whose average monthly rental does not exceed Rs. 2.

H-56-4

IV. The shops or farms will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upon notice will be fixed as the discretion of the Collector. The prices proposed by bidders at the shops or farms will not be published, but the average of the previous five years' results will be notified by the Collector, whenever possible, for the information of bidders.

V. No person will be allowed to bid for another unless he holds a power of attorney from him.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been arrested by a Colonial Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the <sup>Abkiri</sup> <sup>Opium</sup> Act as to render him undesirable as a holder of a license or on the ground that he is insolvent or to prevent arrangements to the detriment of Government interests or for any other valid reason. He may also refuse any bid which he may consider to be purely speculative, after recording his reasons for doing so.

VII. The shops and farms will be knocked down to the highest bidder, but the sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale is held by the Collector himself or by any officer appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected, the next highest shall be taken as the shop or farm is sold at his discretion.

IX. As soon as possible after the auction is completed, the deposits made by the successful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit\* of half a month's rent (in addition to the deposit made under clause XII) for each shop or farm which the initial deposit equals or exceeds (see clause XII) rent. Should he fail to do so, the deposit made by him under clause XII will be forfeited and the farm or shop will be put up again on the above conditions or otherwise disposed of as the Collector may determine and the forfeiture will be deducted from bidding again for the same or for any other house or shop.

X. Persons to whom farms and shops have been knocked down and who have made deposits as provided in clauses XII and IX, shall also deposit\* such further sum as with the former deposits will make up one month's rent (to be paid within ten days from the date of commencement of the Collector's acceptance of the bid) and shall without unnecessary delay execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreements, it will be binding on his heirs and assigns. Should the initial deposit exceed the sum required to be deposited under this clause, the excess will be refunded unless the purchaser is required to deposit more than was under clause XII, above.

XI. If on enquiry referred to in the purchaser shall be found to be of doubtful solvency, he may be required either to deposit twice the sum provided in clause X, above, or to get a security or securities to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 26, schedule I, Act II of 1899) and registered at the expense of the purchaser at the amount named in clause II, above.

XII. On the failure of any person to make deposit under clause X or to comply with the regulations under clause XI, above or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop or farm he would or otherwise disposed of at the discretion of the Collector.

XIII. Bidders affected under clause XII will be at the risk of the defaulting bidder, who will forfeit all goods, and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulting bidder in the same manner as if it were an amount of lost revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be modified to Government. The defaulting bidder will be similarly liable of the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with the original sale.

XIV. The purchaser of the privilege is liable to the penalties provided for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XV. The deposit referred to in clause X or clause XI, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Collector and Revenue agree, it may be applied towards the last instalment of the bills payable by the holder.

The licenses issued under the above clauses will contain the following general conditions common to all abkiri and opium licenses and the special conditions prescribed below.
